

# Corey Taylor - Black Eyes Blue

**Am C F - Am C F - G Am**

***Am G Am***

I stood alone in Trafalgar Square  
I looked around, I didn't see you there  
Before they closed the roads, I made it down to Hyde  
I just need you now, I need you by my side

**[CHORUS]**

**Am G F - C F - C F - C F - G Am**

I know that there's no other way  
I know that there is nothing more that I can say  
Make my black eyes blue  
I fall for you

Behind the trees in front of Golden Gates  
I was never beholden to the hands of fate  
Consternation in the middle of my chest  
You know me better than the ones who know me best

**[CHORUS]**

London Eyes, they give me Russian looks  
Ooh, this winter wind is all it took  
Lights are comin' up just as the sun is goin' down  
The sentiment and all of it is all I want, I need you now

**Am G Am G Am G Am Am G F**

We all need  
A little red on our horizon, baby  
We all live and breathe  
Oh, oh, oh, oh, oh (Red on my horizon)
