

Snow Patrol - Chasing Cars

A E D

We'll do it all
Everything
On our own
We don't need
Anything
Or anyone

[STRUM]

If I lay here
If I just lay here
Would you lie with me and just forget the world?

I don't quite know
How to say
How I feel
Those three words
Are said too much
They're not enough

[STRUM]

If I lay here
If I just lay here
Would you lie with me and just forget the world?
Forget what we're told
Before we get too old
Show me a garden that's bursting into life

Snow Patrol - Chasing Cars

Let's waste time
Chasing cars
Around our heads
I need your grace
To remind me
To find my own

BASS IN - ROCK IT

If I lay here
If I just lay here
Would you lie with me and just forget the world?

Forget what we're told
Before we get too old
Show me a garden that's bursting into life

All that I am
All that I ever was
Is here in your perfect eyes, they're all I can see

I don't know where
Confused about how as well
Just know that these things will never change for us at all

If I lay here
If I just lay here
Would you lie with me and just forget the world?
