**[VERSE]**

Be what you wanna be  
See what you came to see  
Been what you wanna be  
I don't like what I see

**[BRIDGE]**

Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter will  
Heaven beside you, Hell within  
And you think you have it still, Heaven inside you

**[CHORUS]**

So there's problems in your life  
That's fucked up, and I'm not blind  
I'm just see through faded, super jaded  
And out of my mind

**[VERSE]**

Do what you wanna do  
Go out and seek your truth  
When I'm down and blue  
Rather be me than you
