## A - A D A - A - A D A

Life's ambition occupy my time  
Priorities confuse the mind  
Happiness one step behind  
This inner peace I've yet to find

## D - A - D - A

Rivers flow into the sea  
Yet even the sea is not so full of me  
If I'm not blind why can't I see  
That a circle can't fit where a square should be

## G C D - G C D

There's a hole in my heart  
That can only be filled by you  
And this hole in my heart  
Can't be filled with the things I do

## A - D - A

Hole hearted, Hole hearted

This heart of stone is where I hide  
These feet of clay kept warm inside  
Day by day less satisfied  
Not fade away before I die

Rivers flow into the sea  
Yet even the sea is not so full of me  
If I'm not blind why can't I see  
That a circle can't fit where a square should be

There's a hole in my heart  
That can only be filled by you  
And this hole in my heart  
Can't be filled with the things I do

There's a hole in my heart  
That can only be filled by you  
Should have known from the start  
I'd fall short with the things I do  
Hole hearted [x6]
