

Guns N Roses - Patience

[VERSE] **C G A D C G A D**
[CHORUS] **C G C E C G D**
[END] **D G**

Shed a tear 'cause I'm missin' you, I'm still alright to smile
Girl, I think about you every day now
Was a time when I wasn't sure, but you set my mind at ease
There is no doubt you're in my heart now

Said, woman, take it slow and it'll work itself out fine
All we need is just a little patience
Said, sugar, make it slow and we'll come together fine
All we need is just a little patience
Patience, mm yeah

I sit here on the stairs 'cause I'd rather be alone
If I can't have you right now, I'll wait, dear
Sometimes I get so tense, but I can't speed up the time
But you know, love, there's one more thing to consider

Said, woman, take it slow and things will be just fine
You and I'll just use a little patience
Said, sugar, take the time 'cause the lights are shinin' bright
You and I've got what it takes to make it
We won't fake it, aw, I'll never break it, 'cause I can't take it

(Little patience, hm yeah, hm yeah)
(Need a little patience, yeah)
(Just a little patience, yeah)
(Some more patience)

I've been walkin' the streets at night
(Yeah)
Just tryin' to get it right
(A little patience)

Guns N' Roses - Patience

It's hard to see with so many around

(Yeah)

You know I don't like bein' stuck in the crowd

(Could use some patience)

An' the streets don't change, but maybe the names

(Yeah)

I ain't got time for the game 'cause I need you

(Gotta have more patience)

Yeah-yeah, but I need you

(Yeah)

Ooh, I need you

(All it takes is patience)

Oh, I need you

(Just a little patience)

Ooh, this time

(Is all you need)
