

# The Pretty Reckless - Take Me Down

**EDA - GFE**

Been waitin' at these crossroads forever and a day  
On a guy to buy my soul  
I spend all night and day, how much harder can I play  
You know I gave my life to Rock n' Roll  
Here we go

Momma begged me please,  
Yes she got down on her knees  
Said 'You'll burn in that Mississippi sun'  
But I'm the only one that's standing here  
So Mama don't you have no fear  
I'm either last or I've already won...  
Here I go

Take me down **[x3]** Won't you take me down

Standing at the crossroads  
A dried up pen in hand  
The conversation went like this  
'Tell me your desire why you pulled me from the fire  
and we'll seal the deal with a kiss'

Said 'I wanna raise the dead, Find a note that I can shred  
On my walls I scrawl my gods  
Don't care what happens when I die  
As long as I'm alive all I wanna do is rock, rock, rock!'

Take me down **[x3]** Won't you take me down  
Sign with the devil...
