

Stone Sour - Through Glass

C D Em

[CHORUS]

I'm looking at you through the glass
Don't know how much time has passed
Oh, god it feels like forever
But no one ever tells you that forever feels like home
Sitting all alone inside your head

How do you feel? That is the question
But I forget you don't expect an easy answer
When something like a soul becomes initialized
And folded up like paper dolls and little notes
You can't expect a bit of hope
So while you're outside looking in
Describing what you see
Remember what you're staring at is me

[REPEAT]

[CHORUS] X2

[BRIDGE] X2

[CHORUS]

How much is real? So much to question
An epidemic of the mannequins
Contaminating everything
We thought came from the heart
It never did right from the start
Just listen to the noises (Null and void instead of voices)
Before you tell yourself
It's just a different scene
Remember it's just different from what you've seen

Oh, and the
stars
Oh, and the
stars They lie...

[CHORUS] X2

[BRIDGE]

And it's the stars, The stars, That shine for you
And it's the stars, The stars, That lie to you, yeah-ah
