Taking my time, Choosin' my line
Tryin' to decide what to do
Looks like my stop, Don't wanna get off
Got myself hung up on you

Seems to me, You don't want to talk about it
Seems to me, You just turn your pretty head and walk away

Places I've known, Things that I'm growin'
Don't taste the same without you
I got myself in, The worst mess I've been
And I find myself startin' ta doubt you

Seems to me, Talk all night, here comes the mornin'
Seems to me, You just forget what we said and greet the day

[SOLO]

Seems to me, You don't wanna talk about it
Seems to me, You just turn your pretty head and walk away

I've got ta cool myself down, Stompin' around
Thinkin' some words I can't name ya
Meet ya half way, Got nothin' to say
Still I don't s'pose I can blame ya

[CHORUS]
